SUBJECT: Four political reports enclosed

TO: *C*
Edenborg, "YACHT"

1. There are attached four reports on German political developments issued between 22 July and 11 August, for your files. These reports are chiefly interesting because they constitute a compilation of background information which may be of value as reference material. It is not expected that you will find any new material in these reports, and in any event the elections of 14 August have brought a new focus to the entire picture, but the compilation of conditions prior to the election should be interesting in a comparative sense.

This document is part of an integrated file. If separated from the file it must be subjected to individual systematic review.
